Comments:

Evan has been a joy to work with.  
I was very impressed by the ease  
that I had in getting in touch with  
him. He was genuinely concerned  
with us as people - he even called  
my husband to congratulate him  
on his new job! He was recommended  
after my sister and brother-in-law  
bought their home and another time  
from ~~another~~<sup>a</sup> couple of friends  
who recently bought a home. He  
found us a beautiful home at a  
great price - thank you, Evan!
